SUBJECT : FEEDING OF LEARNERS DECEMBER 2021

1. The purpose of this memorandum is to give guidance to schools on how to make provision for feeding of learners that are still coming to school after finishing their examinations.
2. It must be noted that the school calendar ends on December 15th.
3. Furthermore, there is a Court Order (Equal Education) which instructs the feeding of learners until the end of the school term.
4. The directorate is aware of the feeding days as per the approved Business Plan.
5. It is also no secret that most schools show huge amounts of surplus (in terms of the latest reconciliation conducted by finance section).
6. Schools are hereby instructed to take all reasonable steps to ensure that learners receive a nutritious meal until 15 December 2021.
7. NSNP monitors must ensure that all reports of feeding during this period are scrutinised and the numbers are collated and submitted as soon as schools open.
