CAREER AWARENESS WEEK: 29 OCTOBER - 02 NOVEMBER 2018

1. The Eastern Cape Department of Education (ECDoE) has made it a priority to strengthen the ability of learners to make informed decisions about their future careers. This is an opportunity for Life Orientation teachers to complete the section on the "World of Work" as per the Curriculum and Assessment Policy Statement(CAPS).
2. The week of 29 October – 02 November 2018 has been identified as a Career Awareness Week. The purpose is to make grade 9 learners aware of the importance of selecting the correct subjects in Gr 10. During this week, schools are encouraged to focus on activities that will guide learners to make informed decisions about their future pathways.
3. These suggested activities have been collated into a booklet (Self- Exploratory Guide) to be distributed to all schools with Senior Phase for each individual learner. Life Orientation teachers will assist learners in using this resource effectively.
4. The Grade 9 learners will focus on the Self-Exploratory Guide. This activity will assist learners in identifying their interests and abilities in relation to their subject choices and planned careers
5. Principals of Schools with grades 9 are kindly requested to bring this Curriculum Instruction G11/2018 to the attention of the relevant teachers.
6. District CESs Curriculum and Subject Advisors for Life Orientation(LO) will mediate this Curriculum Instruction to all relevant teachers.
