**IMPLEMENTATION OF SCHOOL BASED ASSESSMENT (SBA) GRADES 10 - 12
AND MANAGEMENT PLAN: 2019**

1. BACKGROUND

The aim of assessment in the CAPS is to assist in the positive support of learners in the process of teaching and learning. School Based Assessment (SBA) is an assessment model designed to assist teachers and learners to assess individual progress and monitor the remediation of areas in which learners need assistance throughout the year. It refers to the formal and informal assessment tasks carried out at school for marks to be included in the learners' evidence of work.

This includes:

- the Practical Assessment Tasks (PATs) for all subjects with a practical component;
- the Physical Education Task (PET) for Life Orientation and
- orals for ALL Languages (Home Language, First Additional Language and Second Additional Language)

SBA is **COMPULSORY**. Evidence of learners' work is a **COMPULSORY** requirement for **ALL** subjects. It combines both formal and informal assessment, internal and external assessment which allows for learners to be assessed on a regular basis.

A learner who takes more than seven (7) subjects must also satisfy the SBA requirements for those additional subjects.

Learners and parents must be informed at the beginning of the year that SBA is a compulsory component of their promotion mark therefore it must be fully complied with and given the support and attention it deserves. This includes the purchasing of consumables for PATS by schools from their budget allocations and the attendance of sampled learners at Cluster Oral Moderation.

2. PURPOSE

This Curriculum Instruction is intended to provide Departmental Officials, School Principals and Teachers with a framework in which they plan for SBA for 2019. It outlines the duties and responsibilities of all stakeholders in the implementation of SBA. The Curriculum Instruction includes a Management Plan with important dates for the implementation of SBA at school, district and provincial levels. The Assessment Instruction also intends to provide clear directions to ensure the maintenance and improvement of the quality of SBA.

3. LEGISLATIVE FRAMEWORK

The following are the policies upon which SBA is founded:

- *National Education Policy Act, 1996 (Act No. 27 of 1996).*
- *The South African Schools Act, 1996 (Act No 84 of 1996) as amended.*
- *National Policy pertaining to the Programme and Promotion Requirements of the National Curriculum Statement: Grade R-12*
- *The General and Further Education and Training Quality Assurance Act, 2001 (Act No 58 of 2001).*
- *Curriculum and Assessment Policy Statements (CAPS) (Grades 10 – 12)*
- *National Protocol for Assessment*

4. PROVINCIAL GUIDELINE FRAMEWORK

In addition to the above legislation, the Directorate: Curriculum FET Programmes and the Directorate: Assessment & Examinations developed the Provincial Curriculum Guideline 11/2007: Provincial Continuous Assessment Policy Grades 10 – 12 to support SBA implementation.

These documents can be found on the following websites:

5. KEY PRINCIPLES RELATING TO SBA

NOTE: The SBA mark in every subject constitutes a weighting of 25% of the final promotion mark for the National Senior Certificate, except for Life Orientation where the SBA constitutes 100%. **Please note:** Life Orientation is out of a maximum **mark of 400**. **No** conversion of marks to percentages must be done on the mark sheets.

- SBA should be transparent in order for learners and teachers to have a clear understanding of the expectations of an assessment task, the marking criteria, the knowledge, skills and values which are being assessed.
- SBA informs and evaluates teaching and learning and moreover, provides a basis for remediation and further teaching and learning.
- SBA encompasses a variety of teaching and assessment methods as well as learning styles.
- SBA is objective, valid, fair, time efficient and criterion referenced.
- SBA helps to track effective curriculum coverage.

6 THE THREE LEVELS OF MODERATION

There are three levels of SBA moderation:

- 6.1 School Based Moderation conducted by the Head of Department (HOD) and Principal at school.
- 6.2 Cluster Moderation / District SBA Moderation conducted by the Subject Advisor, Cluster Committee and participating teachers and / or invited Subject Advisors.
- 6.3 Provincial Centralised Moderation conducted by Provincial Subject Planners and selected moderators.

NB:

- Cluster / District Moderation will be monitored rigorously by Provincial Subject Planners during scheduled District visits as set out in the Curriculum Year Planner.
- The Department of Basic Education and UMALUSI will sample certain subjects for moderation. Districts will be notified in advance of such dates and the subjects required for these monitoring sessions.

The first two levels of moderation have been outlined in the roles and responsibilities of each role-player listed below.
