<p align="center"><b>NOTICE OF THE JOLLY PHONICS TRAINING PROGRAMME FOR GRADE 1 TEACHERS</b></p>
--

**1. BACKGROUND INFORMATION**

- 1.1 The Jolly Phonics Programme is a world-leading English Literacy scheme that makes rapid increases in pupils 'basic English literacy skills' through combining the synthetic phonics method with fun and child centred activities.
- 1.2 A pilot programme using the standardised Burt Reading Test has been implemented from June 2018 in Grade 1 in 48 schools across the province. The results of the pilot report showed that the Jolly Phonics group (experiment group) had added an average of 1 year and 4 months to their reading age whereas the control group who worked on the CAPS curriculum only had added an average of 8 months to their reading age by November 2018.

- 1.3 Following the success of the pilot programme the ECDoE has decided to implement the Jolly Phonic programme in all Grade 1 classes in view of improving the reading levels of learners in the Foundation Phase.
- 1.4 The training will be provided by a group of international trainers who have vast experience in the implementation of the Jolly Phonic Programme.
- 1.5 All Grade 1 teachers who attend the training will receive a Phonics Kit comprising a, Teacher Guide, Learner Workbooks, Posters and a Jolly Phonic App for after training support that has all been donated free of charge to the ECDoE by the Jolly Foundation.
- 1.6 This notice serves to inform all Grade 1 teachers of a training that will take place from the 14 June 2019 to 28 June19 (See Annexure A attached for the training schedule with dates and venues per district).
- 1.7 Principals are kindly requested to bring this notice to the attention of all Grade 1 teachers.
- 1.8 Subject Advisors are requested to mediate this notice with all Principals, HoDs and Grade 1 teachers.
