The Dunes Beacon Bay East London

Dear Sir/Madam

## **APPLICATION FOR POSITION: Estate Manager / Caretaker**

I would like to bring to your attention what I believe my special attributes are that I can bring to your business.

## Qualification

I have obtained my certification in Electrical Installation in 1983.

## **Experience**

I have been working in the Maintenance Management environment for most of my life and am very skilled in electrical installations.

More information with regards to the duties I fulfilled is in the CV, but, in a nutshell, my experience includes:

- Farm Manager Dairy
- Maintenance Electrician
- General Maintenance Management (includes Building, Plumbing, Structural, Automation CCTV, Damp, Irrigation, Access Control, Fencing, Roof Repair and Maintenance)
- Technical Advisor and Sales Representative
- **Transport Manager**
- Qualified Telkom Electrician

## **Competencies**

I am a multi-skilled person in the electrical, instrumentation and process control environment and general maintenance. I enjoy working with my hands. I can work alone or in a team. I am dedicated, loyal and trustworthy.

I work well under pressure and have the ability to keep calm in stressful situations.

## **Attributes**

- The experience that I gained thus far, taught me how to work with people at any level. I have good people skills and interpersonal relationships with various levels of employees.
- I have a positive, can do attitude and am a good team player (with the ability to take leadership when necessary).
- I am a hard worker. My reference checks will confirm my commitment to excellence.

Attached, please find my CV. I can provide letters of recommendation and proof of certificates if needed.

Yours sincerely
