Ander relevante  
inligting**

- 
- I have had an unbroken, trouble-free 18years teaching experience(1992-2008) at Kulani Senior Secondary School in Cape Town consistently producing excellent results both for the grade 12's(A's & B's) as well as in the lower grades.
  - I am very strictly punctual person and have never missed work nor my class for any reason. My file work is always neat and up to date and have been commended for such by my superiors.
  - I am very passionate about my profession and always like to imprint a positive, never give-up attitude on my learners and provide constant motivation to strive for higher things in life especially coming from a disadvantaged position. Education is the key to success.
  - I am highly computer literate and my training in ministry also affords me to be a skilled counsellor, a necessary tool especially our current polluted family and moral atmosphere that is all pervasive in society.
  - My training as a pastor also enables me to get along well with everybody regardless of race, colour or creed.
