## Circular

The memo, **Year End Arrangements for the timely Processing of Appointments and Salary Payments**, is available at <http://www.eccurriculum.co.za/Circulars.htm>.

### New Appointments in PL 1 Posts: Unofficial Policy

Currently there is no PL 1 Bulletin available. The following is an **unofficial understanding of the current appointment policy in vacant substantive posts**. It is recommended that **principals should check with their district directors what the official departmental policies and procedures are.**

A school may request/recommend the employment of **temporary** teachers in vacant substantive posts.

**After three months** principals/SGB's may then recommend the permanent appointment of such teachers **if the following criteria are met:**

- There must be a vacant substantive post according to the latest (2020) staff establishment.
- Teachers declared in "excess"/"additional to the staff establishment" must first be considered.
- Then Funza Lusaka bursary holders.
- Then other bursary holders.
- Then other (e.g. newly qualified and SGB) teachers who have not worked for the Department before.
- Then teachers who have resigned, but who want to teach again. (Special permission by the SG is required in such cases.)
