Amazon Web Services Girls' Tech Day: 8 Mar-4 Apr

Amazon Web Services (AWS) Girls' Tech Day is March 8 - April 4.

This event is designed to educate and empower girls and young women to pursue their interests in the fields of Science, Technology, Engineering, Arts and Maths (STEAM). This year, this complimentary event is virtual and is open to those from 8 – 24 years of age.

Participating is easy and flexible

Students and teachers can join as many times as they like, during the two-week period. Once registered, they will also be able to visit the site through the end of December to replay any activities and speaking sessions. The program is also open to teachers who want to participate with their classes, girls' tech groups and other organizations.

Tech activities (Documents available at <http://bit.ly/hoorhier>)

Each activity has three levels (Beginner, Intermediate and Expert), and covers a wide range of tech-related skillsets such as:

- Covering message
- Elementary Coding: Hands On coding Activity: Scratch Software
- Elementary Computational Thinking: A Hands-On
- Drawing Activity
- Machine Learning Activity: Deep Composer
- Virtual Reality Activity
- Robotics Activity: Scratch Fashion Show
- Robotics Activity: Amazon Robotics Challenge

Inklusiewe Woensdag Inclusive Wednesday

Assessment accommodations and concessions (English session)

Date & Time: 10 March 2021, 14:00

Presenter: Alet Marais

Accommodations and concessions are tools and procedures that provide equal access to classroom instruction and assessment for learners with unique challenges, learning barriers and disabilities. They are provided to "level the playing field" and to eventually assist the learner to manage the barrier. Accommodations don't change WHAT the child is learning. Rather, they change HOW the child is learning. Join us for a session during which we will discuss the different assessment accommodations. We'll also look at the rules and procedures when applying for accommodations and implementing them during assessment.
