

MUSIC SCHOOL OF THE FUTURE 2022 26 – 28 AUGUST

“Music is not the hobby of individuals, it is an indispensable part of human culture.”- Zoltan Kodály

Are we nurturing our role as music educators? Are we perpetuating something worthwhile?
This Conference seeks to ask these questions and find the solutions.

We are excited to be collaborating with the South African Society for Research in Music (SASRIM) to introduce a special interest topic of 'Inclusivity in Music Education'.
