Regrets

The full cooperation and support of the role-players central to the retrieval of LT5 at a school.

Support for digital tools.

The new cohort of Grade 12 learners at the school. The opportunity of accessing learning having no use of resources viable if not returned to the school. More importantly, they will be removing cards of individual SIM cards to ensure that understanding the tablets and SIM cards.

The needs to be communicated to all Grade 12 learners who returned devices and SIM cards will therefore be rendered useless once a block has been selected.

It is to repossess these devices and SIM cards that gaps missing or not returned.

It is important to note that in addition to the tablets being retained to indicate that they are

For future procurement.

Information to: 1) Action a block on learners that have not been returned to schools and 2) plan on the email address: info@switghou.com. The Department will be utilizing this.

2) December 2020. The refurbishment report (Appendix) must be made directly to the ETL Director.

Each school is required to submit a report on the refurbishment process to the ETL Director.

To Mr/Pa Pole on the email address: info@switghou.com. The Department will be utilizing this.

The E-Teaching and Learning Director will assist the role-players in the refurbishment process. Request for the electronic registers can be submitted directly at which Grade 12 learners were issued Tablets (individual SIM cards).

The department will indicate the details of the learner along with the details of the Tablets and SIM cards issued.

The Department will indicate the details of the learner along with the details of the Tablets and SIM cards issued.

Subjecting learners prior to the opening of schools in 2021.

Will disadvantage the new cohort of Grade 12 learners at a school. Where a shortfall is experienced in the refurbishment process, the school must action a referral plan to recover all
