TELEMATICS BROADCAST SCHEDULE – TERM 2 – 4: 2018

1. The Eastern Cape Department of Education (ECDOE) has installed telematic broadcast equipment into senior secondary schools across the province as part of a broad initiative to promote higher learner attainment.
2. In collaboration with Stellenbosch University and the Western Cape Department of Education, the ECDOE provides learners and teachers in these schools with televised lessons focused on difficult content areas, types of assessment or teaching methodologies across the high enrolment subjects.
3. The aim of the telematics lesson broadcasts is to offer learners and teachers and alternative teaching and learning environment to boost better learner attainment. These lessons are broadcast according to a set schedule for Grades 10, 11 and 12.
4. The schedule for Term 2 – 4, 2018 is attached hereto as **Annexure A** for ease of reference.

7. You are kindly requested to bring the contents of this Curriculum Instruction to the attention of all District officials, Principals of FET schools offering Grades 10 – 12, relevant stakeholders, parents and learners.
8. Subject Advisors are to distribute and mediate the schedule to all teachers and learners offering Grade 10 – 12.
9. Subject Advisors (for each subject to be broadcast) are also to ensure that all schools have Telematics Centres open for learners on set dates and times and that teachers are present to mediate and assist learners during the lessons.
