Theatre is more than passive entertainment, despite the barrier between the catharsis of the audience, and the alienation of the characters, the audience still reaches its own conclusion, and acts on the ideas presented to them.

Candidates must link this concept to the play that they have studied, giving specific examples and referring to the central themes.

This is symbolic because the play revolves around the expectation of a modern day saviour. (6)
- 4.2.4 The confusion arises because:
Mbongeni is referring to the divine Heavens where he assumes Morena is coming from.
But Percy thinks he is referring to the clouds and his jumbo jet flight.
Another possible confusion could be created by Percy's response: *Oh it's very cool* – as opposed to hell being *“very hot”*.
