

Mathematics worksheet Week- ending 17- 21 August 2020

Grade: I

Name: _____

School: _____

Day 1

Time:

Days of the week

Activity 1 (a) Counting (oral)

Look at the picture below:

Estimate the number of all apples =

Count all the apples =

Activity 1 (b)

(a) Counting in 10s, backwards (oral)

Fill in the missing numbers:

40, _____, 20, _____, 0

Activity 1 (c) Counting in 5s (written)

We go to school for five days a week, let's count the number of days of schooling for two months without holidays:

1 st Month				2 nd Month				Total
Week 1	Week 2	Week 3	Week 4	Week 1	Week 2	Week 3	Week 4	8 weeks
5	5	5	5	5	5	5	5	?

Activity 3 Mental Mathematics (written)

Complete the table:

Number before		Number between		Number after	
Example: 9	10	11, _____, 13	12	13	14
25		30, _____, 32		34	
11		21, _____, 23		25	
34		36, _____, 38		40	
14		15, _____, 17		18	

Activity 4 (written)

One week has seven days. Put them in a correct sequence by writing numbers 1-7

Days of the week	Numbers 1-7
Wednesday	
Monday	
Tuesday	
Sunday	
Saturday	
Thursday	
Friday	

Activity 5 (oral/practical)

Teacher gave your group a project of collecting data. Read the instructions and answer questions that follow. The instruction was as follows:

- ✓ On Monday you will collect different objects.
- ✓ On Tuesday group them according to one attribute and count objects in each group.
- ✓ On Wednesday give reasons for collections being grouped in a particular way and draw a picture as a record of collected objects.

Questions

- ✓ What were you supposed to do on Tuesday?
- ✓ Which was your last day of doing the project?
- ✓ Which activity would take you a long time to do and which one would you do faster?

Day 2 and 3

Days of the week

Time:

Early

Late

Long

Short

Fast

Yesterday

Today

Tomorrow

Activity 1 Counting (oral / written)

Learners are getting inside their classroom in two's. From the numbers you are given below circle the multiples of 2 starting from the smallest to the biggest and the last number will be the total of learners who entered the class.

18	25		
20	26	28	25
21	22	30	23
19	27	24	29

What is the total number of learners who entered inside the classroom? =

Activity 2 Mental Mathematics (written)

	Add the following	Answer
1.	$5 + \underline{\quad} = 15$	
2.	$\underline{\quad} + 15 = 17$	
3.	$6 + \underline{\quad} = 10$	
4.	$12 + \underline{\quad} = 20$	
5.	$14 + \underline{\quad} + 3 = 20$	

Activity 3 (oral)

Read the days of the week.

Monday, Tuesday, Wednesday, Thursday, Friday, Saturday and Sunday.

Answer the questions below:

- ✓ What day of the week is today?
- ✓ What day of the week was yesterday?
- ✓ What day of the week will be tomorrow?
- ✓ What day of the week comes before Monday?

- ✓ What day of the week comes after Wednesday?
- ✓ What day of the week is between Tuesday and Thursday?

Activity 4

Answer the questions that follow, (orally)

- ✓ School starts at 8 o' clock in the morning. Anele came at quarter to eight and Angel came at half past eight. Who came early and who came late?
- ✓ Learners use different transports when going to school, they use bicycles, cars while some are travelling on their feet.
Which learners get to school faster?
- ✓ My mother took the whole week to make my school jersey. Sisipho's mother took three days. Who took a long time?

Activity 5

Do an activity on DBE workbook 2, page 30 (worksheet 79)

Day 4 to 5

Morning

Afternoon

Night

Months of

the year

Activity 1 Counting (written)

Complete the table below by writing the missing numbers.

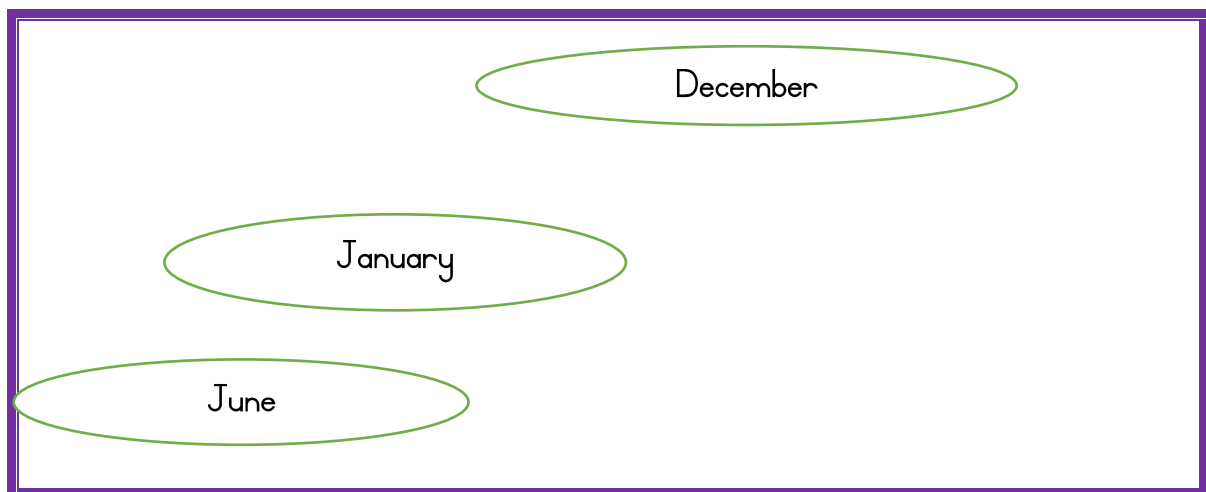

40	39	38		36		34			31
	29		27				23		
20		18		16				12	
		8				4	3	2	

Activity 2 Mental Maths (written)

Which number is 2 more than	Answer	Which number is 5 less than	Answer
8		39	
13		34	
23		29	
29		24	
37		19	

Activity 3

Colour the first month of the year blue, the sixth month yellow and the last month red.

Activity 4

- ✓ In which month of the year was tata Mandela born and in which date?
- ✓ How many times of a day do you wash your hands during this COVID 19 outbreak?
- ✓ Draw a picture of a special event that happens in one of the special months of the year. Use the space provided.

Special event in _____

Activity 5

Choose the correct word and complete the sentence.

Morning, afternoon, night

In the _____ I wake up

I sleep at _____.

I eat my breakfast in the _____.

In the _____ we eat supper as a family.

In the _____ I watch television.

Activity 6

Answer the following questions based on the months of the year.

- ✓ What month of the year it is?
- ✓ What month was before this month?
- ✓ What month will be after this month?
- ✓ What month comes before December?
- ✓ What month comes before June?

Activity 7

Do an activity on page 68 -69, worksheet 32 of DBE workbook I.

Thank you
