Tomato Trot & Cycle Race: Lilyfontein School

The banner features the BU CO logo (Hardware - Buildware) with the tagline 'LET'S BUILD TOGETHER'. A large '25' is prominently displayed, with 'Jubilee' written in a cursive font below it. To the right of the '25', the words 'RUN WALK CYCLE' are stacked vertically. The main title 'TOMATO TROT & CYCLE' is written in large, bold, red letters, with a cartoon tomato character integrated into the 'O' of 'TROT'. Below the title, the date '1 FEB 2020' is written in large, bold, black letters. A speech bubble on the right contains the handwritten text 'Save the date'.

CPTD Online Courses

Dear Principal,

Re: <https://cptd-online.co.za/>

Welcome to 2020! We hope you enjoyed the well-deserved break.

At **CPTD-online** our wish is to remain your preferred service provider for continuous professional teacher development on SACE level 3.

A reminder of the services we offer:

- **Earn CPTD points anywhere, anytime:** We are aware of the hectic work-life balance teachers have to struggle with on a daily basis. Our courses are all online, allowing teachers to gain access through their phones, laptops and tablets at a time and place convenient for themselves. No more traveling and attending courses when not convenient.
- **Relevant courses:** All courses are SACE endorsed and address challenges teachers face on a daily basis. We constantly upload new courses to ensure teachers have access to a variety of courses to choose from.
- **SACE compliant:** In order for us to comply with the ethical requirements from SACE, we follow a six step approach:
 - At the start of each course, teachers read and acknowledge a disclaimer in which they declare that ethical behaviour will be demonstrated during their participation of the course, without ticking the acknowledgement, the course content will not be revealed
 - A step by step content management system only enables new content when certain activities have been completed
 - The system maintains a complete course monitoring plan, which tracks teachers progress and engagement throughout the course
 - Analytics are gathered and an individual reporting system is available to SACE and School Principals
 - The interactive response platform enables teachers to give feedback on completion of each course
 - Feedback are used to update existing courses and develop new courses
- **Subscription fees:** an amount of R450 per teacher per year will remain until the 31st March 2020, there after subscription fees will increase to R650 per teacher per year, from date of subscription. A tax invoice is available on request. Our company is Level 4 BEE.
- **New face:** CPTD-online is a service offered by ithuthuko. We have decided to move CPTD-online to its own domain. <https://cptd-online.co.za/>, please visit the new website and provide us with your feedback.

We remain committed to take the head-ache out of earning CPTD points. Please contact us to find out more.

We look forward to signing up your teachers and reporting to SACE on the achievement of their CPTD points!

Kind regards,

Harriet Schraivesande (harriet@cptd-online.co.za)
