Letter to Educators regarding Research by Nelson Mandela University *(Please inform all educators.)*

Technology perspectives, access, connectivity, usage and the intention to use an online Learning Management System (LMS)

Dear Educator

I hope you are well and safe.

I am inviting you to participate in this research related to the behavioural intention of educators to use a Learning Management Systems (LMS) such as Moodle or Microsoft Teams or a similar LMS by completing this online quantitative questionnaire which will take between 20 and 25 minutes as calculated during an initial pilot study.

Your opinion is highly valued, and it is vital to obtain staff's perceptions related to Learning Management Systems.

I am a firm believer that data can assist us in our planning and thinking related to the future. You can assist in this regard. The link to the survey is <https://teacherssouthafrica.questionpro.com>

Kindly take note of the following:

1. Career Guidance Programme

Career guidance programme Loopbaanbegeleidingsprogram

Dear Principal, Department Head Life Orientation / Life Orientation Teacher

X2Y Career Guidance Program is an organization consisting of members of more than 70 tertiary institutions (including Universities and Private Institutions). These institutions are registered and accredited according to the requirements of the DHET. The exhibition program aims are to give your learners the opportunity to make direct contact with a variety of institutions as well as specific guidance concerning the FET and tertiary entrance requirements.

Due to Covid-19, X2y has opted to create an online platform to ensure that your learners are still able to communicate with the different tertiary institutions. We would like to invite your school to attend the expo with us. If the school agrees then you will receive link where your grade 11 and 12 learners can access the exhibition from class or from home. They will then be able to search for different institutions or career paths and immediately be put in contact with a representative from the specific institution.

It would be appreciated if you would acknowledge your acceptance for your learners to receive this link. Please do not hesitate to contact me for any questions or queries regarding the exhibition.

Thank you for your cooperation.

2. Learner Programme (See attached poster at <http://bit.ly/hoorhier>)

A promotional poster for a Winter School program. The poster features the Belgium Campus iTversity logo on the left, which consists of a stylized 'B' and 'C' in white on a red background, with the text 'BELGIUM CAMPUS iTversity' to its right. The main text on the poster reads 'WINTER SCHOOL' in large, bold, black letters, with 'DATE: 28 SEPTEMBER - 2 OCTOBER 2020' below it. At the bottom, it says 'WINTER SCHOOL CLASSES FOR GRADE 11 & 12 LEARNERS' and 'IMPROVE YOUR MARKS FOR FREE WITH BELGIUM CAMPUS iTVERSITY!'. The background of the poster is white with faint, light blue mathematical and scientific symbols and diagrams, including a brain, a DNA helix, and various mathematical notations like Σ , π , and ∞ .
