## Zero-rated Educational Websites

Free

Access

The Department has released the list of websites that are zero-rated. Zero rating means that the person visiting the site does not use any data to view or download documents. The full zero-rated list is available at <https://bit.ly/zeroratedsites>.

Good news is that schools can apply for this. All information on this, as well as the application form, is available at <https://bit.ly/zerorate>.

Very good news is that many of our schools are already listed, as well as our own <http://www.eccurriculum.co.za> and <http://www.ecexams.co.za>.
