Stimulus Maksima

Valued School Principal and School Management Team,

Read @ HOME, perform better @ SCHOOL – exclusive project offer for schools

[Remarkable results]

Our experience over the past 25 years has proven a clear relationship between reading skills and academic performance during school and thereafter.

Our results since 2014 indicate a consistent improvement of more than 10% in the reading skills of learners that use our school reading program, Reading Rocket SCHOOLS, in more than 135 schools countrywide. The average comprehension levels of learners that use our program are substantially better than the levels determined by the PIRLS study performed during 2016.

[Discounted prices exclusive for schools]

To help your learners excel, we make our reading program for home use, Reading Rocket HOME, available to the parents at your school during these uncertain times at R295.00 per learner for three months. It represents a discount of R100.00 per learner compared to the price of R395.00 offered on our website. This offer does not only allow the learners of your school to improve their reading ability at home, but it also allows a fundraising opportunity for the financing of projects that cannot be financed due to a lack of funds.

Reading Rocket HOME is a robust, user-friendly English and Afrikaans reading program combined with voice prompts for guidance designed for learners from Grade 1 to 12. After installation, no further access to the Internet is required.

Reading Rocket HOME has specifically been designed with the purpose to assist parents in improving the reading skills of their children at home. The built-in user-friendliness empowers learners to use the program by themselves. Results are captured in real-time which enable the parent to monitor progress and assist where required.

Reading Rocket HOME includes individual lessons to improve reading speed, reading comprehension and eye movements as well as spelling lessons to improve vocabulary, language lessons to learn language rules, sight word lessons to improve word recognition as well as learn-to-read lessons.

*Friendly Regards,
Reading Rocket Crew*
