The practical implementation of SIAS in the inclusive classroom, the completion of the SNA 1 and ISP forms and the role of the SBST

Date & Time: 10 Feb 2021, 14:00 (English session)

Presenter: Marina Burger

The SAOU is aware that teachers are still struggling with the implementation of SIAS (the screening, identification, assessment and support) for learners with unique challenges, learning barriers and disabilities. During this webinar the presenter is going to discuss the practical aspects of the policy, focus on the completion of the SNA 1 and the ISP (Individual Support Plan) and explain the role of the SBST.

Die SAOU is bewus daarvan dat opvoeders die implementering van die SIAS-beleid (die sifting, identifisering, assessering en ondersteuning) vir leerders met unieke uitdagings, leerhindernisse en gestremdhede, steeds uitdagend vind. Tydens hierdie webinaar gaan die aanbieder die praktiese aspekte van die beleid bespreek, fokus op die voltooiing van die SNA 1 en die ISP (Individuele Ondersteuningsplan) en die rol van die SGOS verduidelik.

Assessment accommodations and concessions | Assesseringsakkommodasies en konsessies

Date & Time: 10 Feb 2021, 16:00

Presenter: Alet Marais

Accommodations and concessions are tools and procedures that provide equal access to classroom instruction and assessment for learners with unique challenges, learning barriers and disabilities. They are provided to "level the playing field" and to eventually assist the learner to manage the barrier. Accommodations don't change WHAT the child is learning. Rather, they change HOW the child is learning. Join us for a session during which we will discuss the different assessment accommodations. We'll also look at the rules and procedures when applying for accommodations and implementing them during assessment.

Akkommodasies en konsessies is instrumente en prosedures wat leerders met unieke uitdagings, leerhindernisse en gestremdhede toegang gee tot gelyke geleenthede tydens klaskameronderrig en assessering. Dit het ten doel om die speelveld gelyk te maak en die leerder te help om die uitdaging of hindernis te bestuur. Akkommodasies verander nie WAT die kind leer nie, maar eerder HOE hy leer. Sluit by ons aan vir 'n sessie waartydens die verskillende akkommodasies bespreek gaan word. Daar gaan ook gekyk word na die reëls en prosedures wanneer aansoek gedoen word vir akkommodasies en die implementering daarvan tydens assessering.
