# Vacant Posts

## Queen's College BOYS' HIGH SCHOOL

### TEACHING POST AVAILABLE

Would you like to become part of a unique, traditional, prestigious all boys' public school?

A vacancy exists for a motivated, dedicated, fully qualified and experienced teacher of:

### **ACCOUNTING (Grades 10 - 12)**

Only applications from **EXPERIENCED** Accounting teachers will be considered.

Must be prepared to participate in the school's extra-mural programme.

Commencement date: 2<sup>nd</sup> term 2021  
(or as soon as possible thereafter)

The vacancy is an SGB position, but could become a State position in due course.

Submit letter of application, CV, SACE certificate and certificates of qualifications to:

E-mail: [headmaster@queenscollege.co.za](mailto:headmaster@queenscollege.co.za)

Closing date: Monday, 12 April 2021  
Should you not have been contacted by 19 April 2021, kindly consider your application as has having been unsuccessful.

## AWS Virtual BOATS Coding Tournament

Dear teachers

I am happy to inform you that we are planning our first Virtual Coding Tournament from **Saturday 17 April to Friday 30 April 2021**.

Last year we had 3 similar [tournaments](#) with over 1000 learners from 400 schools participating.

It is sponsored by Amazon Web Services [#AWSInCommunities] in promotion of the AWS Tech Week (see at bottom of email) at the end of April.

The Tech Week is a great online event for children of all ages.

### Incentives

Prizes include the following:

Tablet for the top scoring learner

1 GB free data for the Top 30 Learners

The top 8 participating schools / NGO's win either a TANKS or BOATS School Kit (they choose)

4 Primary and 4 High Schools will go through to the next round with total cash prizes worth R10000.00

### How does it work?

- The school **registers** its participation at this [LINK](#) by **Wednesday 14 April**
  - There is no cost involved to schools or learners
- On Thursday 15 April we send participating schools a flyer to forward to their learners (either printed, by email or WhatsApp).
  - This flyer will guide them on how to participate using the BOATS app
  - Learners play individually from anywhere

- They need no prior coding knowledge to be competitive
- Scores are submitted from their phones to a central database
- There are no limits on how many times they play

### The BOATS app

The latest version of the app will be available by latest next Thursday.  
 In addition to basic coding concepts, it also has an environmental theme.  
 Consequently learners will be educated on Marine Pollution and Renewable Energy  
 Learners are welcome to start practicing on the app : “BOATS powered by Tangibl” on  
 Google PlayStore  
 But for the tournament, they must download the new version end of next week.

### BOATS School Kit

This coding kit is aimed at **Grade R to 3 learners**, introducing coding through physical activities and the BOATS app.  
 It includes 10 lesson plans for teachers, and various colourful resources

### TANKS [School Kit](#)

This coding kit is aimed at **Grade 4 and older learners**, introducing coding through physical activities and the [TANKS app](#).  
 It includes 7 lesson plans, and 8 TANKS game sets.

Looking forward to having your school participate.

Remember to register at this [LINK!](#)
